Paddock Wood TN12 6LN

Set in a small cul de sac, this detached house offers an opportunity for someone to create a quality home and is being sold without an onward chain.

Approached over a private driveway and leading to a large garage, the property offers two reception rooms with the lounge having a new air conditioning unit, a kitchen which has a door to the garden, and a conservatory. There is also a downstairs WC.

Upstairs there are three bedrooms, two doubles and one single, and a newly installed shower room.

There is a useful loft which has a light and is part boarded.

To the rear there is a good sized garden, with a patio and lawn.

Both the garage and garden shed have power and light.

The shed could be replaced by a home office if required, subject to the usual consents.

The town centre is close by, as are the popular primary and secondary schools.

Paddock Wood train station offers regular services to London and the coast.
