A freehold commercial premises for sale with a separate one bedroom flat above, granted with it's own separate access. In total - flat and shop - there are 3/4 rooms that could be used as receptions and 1/2 as bedrooms. With 2 kitchens (one for the flat and one for the shop) and 2 shower rooms, again one for the flat one for the shop, as per the floorplans. So subject to necessary consents this building could be reconfigured. However this represents a great opportunity to purchase a property that can have commercial use downstairs and accommodation upstairs in a busy 'High Street' location.

Situated in the heart of Paddock Wood, Tonbridge. This substantial freehold building is centrally located for those wanting busy footfall or convenience. The station with trains to London is a very short walk away and as the commercial centre for this popular village, there are plenty of thriving shops and businesses. The flat with has a good sized lounge, kitchen, shower room and one well-proportioned bedroom, in it's current configuration. There is also further potential to demolish the Victorian brick built outside toilet and two storage sheds to create possibly a small building plot subject to the relevant planning permission.

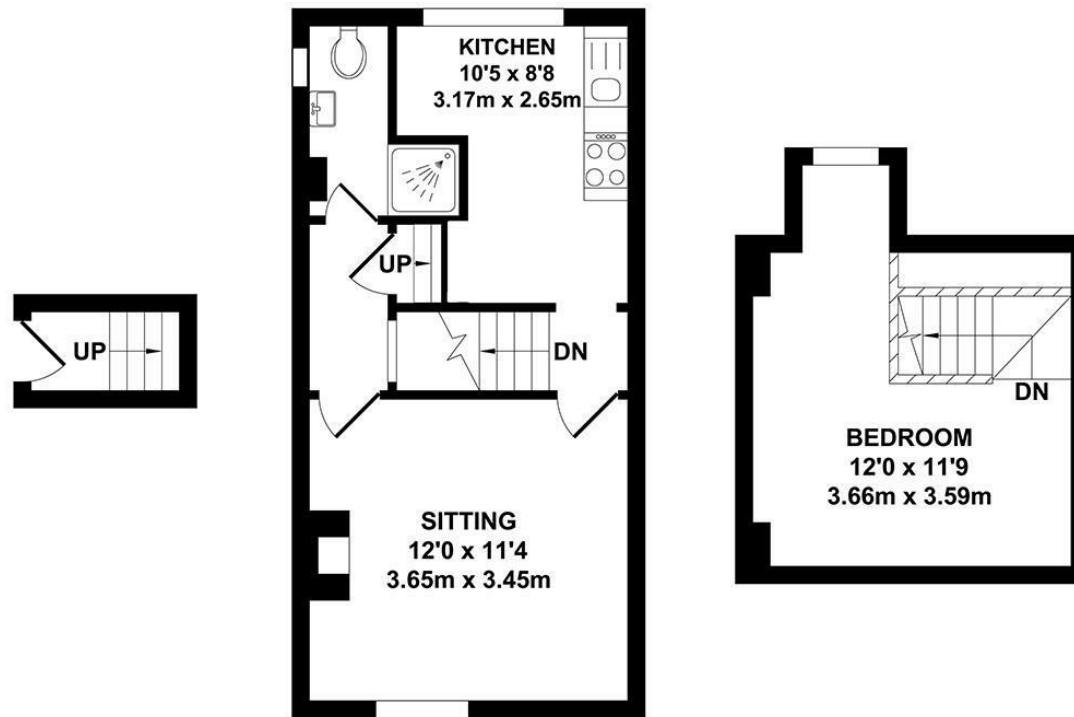

The flat does require updating throughout but will provide an opportunity for someone to put their on stamp on it. The upstairs flat is completely independent from the shop with separate private access at the side of the building currently.

There is also a garden to the rear.
